What's New

The Holidays Are Upon Us!

...and the WMSG community gathered in our own haunted house on Halloween to hear about the origin of Halloween itself, play games of all sorts, show off our costumes, and listen to scary stories. Pumpkins were carved and lit, and our all-purpose room was transformed into a meeting place for ghosts and goblins of all sizes and shapes. Everyone agreed that enjoying time together is worth all of the hard work of studying and homework.

Here's to more celebrations together!

Before...

...and After! Aisha, Kathy Shorter, *Director of Special Projects*, Tanaisha and Angel are proud of their unique pumpkins.

Naomi has her face painted by Liat Segal, WMSG's Americorps Volunteer.

Ghosts and Goblins gather.

WMSG Walks for the Homeless

WMSG is pitching in to assist New Endeavors By Women, a local group which seeks to fill the gap between homelessness and independent living, during its participation in Washington, D.C.'s Annual Walk for the Homeless. A participant from NEW visited with the students and spoke about the special challenges that she has overcome. The WMSG community is determined to support these very special women, as well as this important community event, and has raised over \$300 to contribute to the cause.

Sr. Mary Bourdon, RJM, WMSG Administrator, Sr. Mary Popit, SHCJ, Director of New Endeavors By Women and Kay Carter, Teacher, join some of the 5th and 6th graders as they get ready to walk for the homeless.

Miranda and Tamara show off a great poster.
